### Good to know

A prerequisite for well-being and development is that the ski school groups are as even as possible. During the first days of the ski school, the groups may therefore change if necessary. If you still feel that your child has ended up in the wrong group, contact your ski instructor.

In the weekly ski school, all groups start on Mondays. The weekend ski school starts on Fridays. It is not possible to join groups that have already started.

Please note that everyone needs a skipass from that you have reached the age of 7. It is good if the children practice everything they learn in the ski school so that the group can advance forward. Each group must have at least four participants. For smaller numbers, the group can be set or the course time shortened.

### Gathering places

Snölekis, Snögubbar and Smygare gather at Skidskolebacken, which is located above the hostel at Barnbacken. Private lessons and other groups gather at the group signs, the barbecue area, left side at Barnbacken.

### Cancellation

Cancellation can be made until the day before the first day of ski school. The guest will then receive a refund of the amount paid minus an administration fee of SEK 250.

In the event of cancellation of an already started ski school, the remaining time will only be refunded upon presentation of a medical certificate. It is then required that the guest before the next lesson notifies the ski school at [skidskolan@orsagronklitt.se](mailto:skidskolan@orsagronklitt.se) that the guest has fallen ill. The medical certificate must be received by us no later than ten days after the day of cancellation.
